HOW TO ORDER:

We are excited to start the planning process with you. Let the creativity flow!

1. Download our estimate form from our website: www.everydayevents.co.za
2. Send us your wish list, with the quantities of the items that you would like to hire, to the email address: info@everydayevents.co.za
3. At Everyday Events we are consistently sourcing new items. If there is anything specific you envision on your special day, please let us know.

VIEWINGS:

We have a little studio and allow viewings by appointment only. Before your appointment, please make sure to browse through our catalogue, so that you have an indication of what we have available to rent and the cost.

COLLECTION:

We do not do deliveries. It is self-collection. (By appointment only – as we are not open every day). Bring your own man power and pick up items a few days before your event and return them afterwards. Upon collection and return, each item will be counted with you and our staff.
